Infinite design possibilities

A large group of approximately 20 people, both men and women, are posed in several rows in front of a building entrance. They are all wearing bright yellow t-shirts with a colorful, circular graphic on the chest. Many are also wearing matching yellow visors. The group is diverse in age and appearance, and they are all smiling at the camera. The background shows a modern building with large glass doors and windows, with shadows cast on the wall.
